## We can help lighten your load

Nearly all Sun Life U.S. employees are working from home during this COVID-19 pandemic, which helps ensure their well-being while continuing to serve our Clients.

If you are working remotely, you may be experiencing some challenges in how you normally work. We'd like to remind you about a number of digital tools and resources that you can use to work with Sun Life electronically – from anywhere, at any time.

*Note: Some information below only applies if you are using Sun Life Connect to administer benefits.*

It's now easier for you and your employees to submit disability claims online and to check claim status information. Our claims form is mobile friendly — so employees can submit claims and view claims status from their smart phones or tablets too. You can also submit the employer portion of disability and life claims online. Access Sun Life Connect at [www.sunlife.com/account](http://www.sunlife.com/account).
