TrueNorth Recognized for Outstanding Performance

(Cedar Rapids, Iowa, February 2020) — TrueNorth Companies has been named a Premier Partner by EMC Insurance Companies, which means the agency is one of the highest-performing EMC agencies in the country. This designation places the agency in the top five percent of all EMC agencies nationally.

The Premier Partner award is based on key indicators including retention, profitability and growth, which are reviewed over a three-year period.

EMC developed its signature Agency Performance Value (APV) tool in 2005 to measure an agency's performance against all other EMC agencies nationally. Agencies are evaluated on loss ratio, premium volume, policy and premium growth, policy and premium retention, and EMC's position within the agency.
