Alternative Risk Financing

TrueNorth takes a broader approach than your typical broker when it comes to how your company chooses to avoid and finance risk. From standard first dollar/deductible programs to captives and high self-insured retention, TrueNorth is a leader when it comes to our ability to provide a risk financing option that fits your needs.

EMT Fleet Management

Our insurance carrier partners can leave the task of motor vehicle reporting and staffing to you. TrueNorth's account management team has the ability to manage application changes and driver records on your behalf, reducing the time you spend trading information with underwriters and insurance agents.

Workers' Compensation

Utilize data and analytics to forecast and benchmark Experience Mod Ratings (EMRs) for past trends and future scenarios. As part of this analysis, TrueNorth can provide advice on how to manage claims, payroll and workers' compensation classifications to provide the most cost effective and sustainable solution to protect your EMR.

Regulation Compliance

Assistance complying with the following Federal agencies: OSHA, MSHA, EPA, DOT, and EEOC, as well as state-specific regulations affecting your business.

Claims Advocacy

TrueNorth can review claims to ensure the best outcome for your company on first and third-party claims, as they relate to contracts, coverage and federal and state statutes
