

PROTECT & MAXIMIZE: COMPLIANCE

OBJECTIVE:

Ensure your business has a trusted partner with the subject matter expertise to ease your compliance burden.

67%

of D.O.L investigations resulted in fines to employers in 2019.

\$653B

in compliance risk was identified by the D.O.L in 2019.

CLIENT CHALLENGE

Due to the expansion of regulatory oversight, one of our large manufacturing clients found themselves going through a significant audit on a number of issues and faced a **\$2.3 Million fine**.

TRUENORTH'S SOLUTION

We were able to utilize our **proprietary compliance review** to help our client learn that they were erroneously assessed. Through our partnership with this client we were able to provide the necessary support & documentation that resulted in overturning the penalty assessment.

Let us show you how we deliver value **beyond the policy**.
